NetSuite

ERP Expertise.

Business IQ. Cloud Sense.

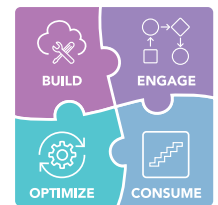

In response to the growing need for business leaders to rapidly accelerate the delivery of new capabilities for their customers, GSI provides a comprehensive suite of services to rapidly and seamlessly incorporate the new adaptive features of NetSuite™ core and advanced modules, SuiteApp partner modules and integration services to quickly extend the enterprise.

The service offerings will allow companies to quickly deploy and integrate the new capabilities of NetSuite completely in their organization as a new ERP system, or as a two-tiered system approach to work with their current ERP system, while still providing an immediate ROI.

As an Oracle Platinum Partner with a staff of over 100 industry professionals, GSI, Inc. specializes in providing a broad range of business and technical consulting services for NetSuite, as well as other enterprise applications. Many of GSI's staff have advanced degrees, certifications (functional and technical) and professional certifications (CPIM, APICS, CPA, PMP/ITIL, VMware, Oracle RAC, IBM iSeries, etc.) that help to ensure optimal results for each project. All GSI services are backed by a 100% guarantee.
